Financial Assistance (Thank you T-Mobile!)

At West Portage, EVERYBODY PLAYS! Our goal is to never turn away a child due to financial need. T-Mobile shares that goal and has established the Little League® Call Up Grant, dedicated to helping families in need by covering registration fees associated with their local Little League program. The application process takes just a few minutes. As you prepare for registration, learn more and [apply here!](#)

Coaching Opportunities

All of our coaches are volunteers, and we need lots of them...over 100 each year! Nothing impacts a child's experience more than the quality of their coaches. If you or someone in your family has an interest in helping out either as an assistant or head coach, you will have an opportunity to volunteer during the registration process...please consider doing so! NO EXPERIENCE NECESSARY. If you have questions about what coaching entails, please reach out to:

Sponsorship Opportunities

Each year dozens of local businesses support West Portage Little League. The funds and services provided by these businesses helps to keep costs down for all our families and fund facility maintenance and improvement efforts. We offer several different sponsorship packages, from single-team on up. You may indicate an interest in sponsorship during the registration process or reach out directly to our sponsorship director: We know that times are tough, and we appreciate our sponsors more than ever!
